

KICKING FOR KIDS 2008

Join Brian Moorman and his P.U.N.T. Foundation to support families in Western New York with children affected by pediatric cancer. During the 2008 Buffalo Bills football season, Brian and the P.U.N.T. Foundation are committed to making a difference off the field through the Kicking for Kids program.

There are 3 ways you can help:

- Make a pledge for every time Brian's punt is within the 20-yard line.
- Sign up to become a fundraiser and design a personal web page to recruit your family and friends to pledge an amount for every punt that Brian kicks within the 20-yard line.
- Show your support simply by making a one time donation.

Log on to www.BrianMoorman.org and click on the Kicking for Kids link for more information.

Thank you for helping Brian and the P.U.N.T. Foundation support children in Western New York who are fighting cancer. Together we can continue to bring smiles to their faces.

Find out how Brian is doing throughout the season, log-on to www.BrianMoorman.org or www.BuffaloBills.com.

THANKS FOR BEING A PART OF OUR TEAM!
